### TO ALL MEMBERS OF THE OLD EDWARDIAN SOCIETY

For some time now the Executive has been looking to expand the Executive Committee with a view to becoming more representative. In today's world we need to embrace all cultures and creeds within the country both male and female.

We are looking to have an Executive that is fully representative of the South Africa of today and invite interested persons who feel that they have something to offer to make themselves available for election to the Executive.

With the proposed redevelopment of the club there are several areas that we feel we are short of expertise.

1. The Commercial and Business development of the new facilities.
2. Sub-Club liaison which entails chairing the monthly sub-club meeting and liaising with The Executive.
3. School Liaison. This is a vital position as it will entail ensuring that the relationship between the school and the Society is on a firm footing as well as trying to ensure a constant flow of pupils joining the Society both whilst at school and when they leave.
4. Virgin Active (VA) liaison. This will include the active liaison with VA to ensure the smooth day to day co-operation between the two parties as well as the development of the new structure.
5. Civil Engineer. The main task would be to oversee the proposed new building and may involve a formal contract and payment to that person or company.

We appeal to any members who feel they have the right expertise to fill any of the above positions to make themselves available by contacting either the President, Richard McEvoy or the Executive Chairman, Neil Darroch.

ISSUED ON BEHALF OF THE EXECUTIVE COMMITTEE OF THE OLD EDWARDIAN SOCIETY

### Society Administrator
